

Brazosport Regional Home Health offers a variety of services for the communities we serve in the southern parts of Brazoria County. We provide comprehensive, quality care for patients in their own homes. Our goal is to promote our patient's individual recovery in a more comfortable, less expensive environment of their own home.

The Home Health Department provides exceptional, quality services to all our clients. To ensure our patients with optimal home health care, we provide:

- Ongoing, daily quality assurance program
- On-call nursing available 24-hours a day
- Continuing education
- Physician-approved policies and procedures
- Interdisciplinary care planning approach

- Patient and family education
- Monitoring and supervision of medication
- Wound care and skin care including wound vac technology
- Cardiac and cardiovascular rehabilitation
- Diabetic education
- Infusion therapy
- Management of catheters and incontinence
- Pre- and post-operative education and counseling
- Nutritional screenings and assessments

Home Health Aide Services

- Personal hygiene care including:
 - Bathing, shampoo, oral hygiene and changing linens
- Assistance with activities of daily living

Medical Social Work

- Evaluation and assessment
- Evaluation of home environment
- Referral to community resources
- Long-range planning

Physical Therapy

- Evaluation and assessment
- Restoration to optimal level of function
- Muscular strengthening
- Gait training and home exercise programs
- Equipment fitting and placement

Occupational Therapy

- Evaluation and assessment
- Home modification planning
- Adaptive equipment assessment and training
- Fine motor skill strengthening
- Activities of daily living

Speech Therapy

- Evaluation and assessment
- Developmental testing
- Swallowing evaluation and therapy
- Audiometry

As part of our commitment, we operate under practice standards which are approved by JCAHO. Brazosport Regional Home Health is the only accredited home health agency in the southern Brazoria County area. If you could benefit from home health services, please ask your doctor to refer you to Brazosport Regional Home Health.

At Brazosport Regional Home Health, we also provide Lifeline, an easy-to-use medical alert service designed to reduce the risk of living alone. In the event of a fall or emergency, help is available at the push of a button. For more information about Lifeline, call the Lifeline Coordinator at Brazosport Regional Home Health 979-285-1861 or visit www.lifelinesystems.com.

"I am very impressed with all the care I received by the staff and aides!"
